THE MISSION OF STARS

To support young people in overcoming social and emotional barriers through creative and innovative programs centering on prevention, intervention, treatment, training and compassion.

STARS does not discriminate on the basis of race, color, gender, culture, religion or creed, socioeconomic status, language, age, sexual orientation, or national origin. No one shall be excluded from the participation in, be denied the benefits of, or be subject to discrimination under any of STARS' programs or activities. STARS is an Equal Opportunity Employer.

This agency is funded, in part, by the Tennessee Department of Mental Health and Substance Abuse Services and the Tennessee Department of Education. This agency is funded, in part, under an agreement with the state of Tennessee.

WE BELIEVE PEOPLE CAN RECOVER. WE DO NOT GIVE UP.

Youth Overcoming Drug Abuse (YODA) is an intensive outpatient program of **STARS** for adolescents with substance use disorder and co-occurring disorders.

YODA provides gender-specific treatment with separate groups for males and females.

GENDER-SPECIFIC INTENSIVE OUTPATIENT TREATMENT PROGRAMS

Services are free to youth ages 13 to 18 who are Tennessee residents and are uninsured or have insurance that will not pay for treatment. Length of program is based on individual needs.

Our model is person-centered and based on evidence-based therapeutic models that are responsive to the particular needs of young females and males.
