

INTERNATIONAL OVERDOSE AWARENESS DAY 2025

COMMUNITY TRAINING AND SERVICE PROJECT

STARS Nashville and partners at the TN Dept. of Mental Health and Substance Abuse Services and Dept. of Health are working to coordinate a community service project and training for International Overdose Awareness Day. Last year, this event brought together more than 100 volunteers and packed more than 2,000 overdose response kits to distribute to people at risk of overdose, first responders, and community partners.

EVENT DETAILS

Tuesday, August 26th
1:00-4:00 p.m.
Ford Ice Center, Bellevue

YOUR ORGANIZATION HAS MULTIPLE OPPORTUNITIES TO PLUG IN

VOLUNTEER RESOURCES

We need volunteers who are interested in the topic of overdose reversal, want to learn more about how they can reverse an overdose, and want to participate in a fun and exciting service project.

CORPORATE CONNECTIONS

Who do you know that would be interested in this project? Who are your friendly competitors who might be up for a "challenge" from a counterpart or colleague?

SPONSORSHIP

Would your organization be interested in helping with anything else to make this event a success?
